

Halley House School Primary PE & Sports Premium Action Plan 2017-2018

Person Responsible: Head teacher

What is the Primary PE & Sports Premium Funding?

This is a Government grant that must be used to fund improvements to the provision of PE and sport for the benefit of primary aged pupils in Years 1 to 6 (5 to 11 year olds).

How much is allocated to each school?

For 2017-2018, schools have been allocated £16,000 plus £10 per pupil. This is double the allocation of the previous year (£8000 plus £5 per pupil). Halley House School has received £16,700 for the academic year 2017-2018.

Aims of the Primary PE & Sports Premium Funding?

- To ensure that PE provision is of high quality both within the core day and the extended day, including our lunch offer and after school clubs
- To improve participation rates in a wider range of sports and PE activities
- To offer a wide range of sports activities
- To develop a love of sport and physical activities

Impact of the 2016-17 Funding

Ongoing strengthening of the quality and range of professional development of staff at Halley House Primary School. For example, during 2016-2017, specialist sports coaches delivered PE lessons to our pupils at Petchey Academy alongside school staff, who gained knowledge and understanding of PE progression within and across lessons.

Provision of good quality extended day sports to pupils, including archery, street dance, gymnastics, multi-sports and dodgeball, exposing children to a wide range of sports some of which they had not tried before

More sporting opportunities for pupils through the purchase of resources and playground equipment, including a new climbing frame, balance beams, playground markings and games, ball hoop.

Increased range of sporting activities at lunchtimes, led by school staff following INSET training sessions and specialist coaches. Pupils' enthusiasm and knowledge was enhanced

The school has allocated funding in accordance with the following strategy plan:

Strategies 2017-2018

Total allocation: £16,700

Total spend: £

Strategy	Cost allocated	Aims	Proposed impact	Future Actions & Sustainability
Employing sports specialists to lead the teaching of PE at HHS. (The coaches are not covering PPA as the teachers are present)	£9,000	To improve the teaching of PE across the school. To support the consistency and high expectations of planning and delivery of PE lessons.	The PE experiences will be optimised for all pupils at HHS.	Teaching staff work alongside the sports coaches to ensure professional development of sports skills for school staff. These new skills are used in other PE lessons taught during the week.
Employing sports specialist to coach/ mentor teachers and support staff (CPD sessions)	£500	To further improve the delivery and assessment of PE lessons	Teachers and support staff at HHS have improved skills and knowledge of the PE curriculum leading to improved outcomes re: quality of teaching and learning and assessment of PE.	Children will continue to develop their PE skills through better quality teaching.
Employing sports specialist to deliver active lunchtimes for all children	£500	To encourage physical activity during lunchtimes and playtimes, particularly for children not inclined towards team sports. To promote exercise and fitness	High quality provision is in place at lunchtime and playtimes. More children are involved in lunchtime activities with resultant health benefits.	Support staff will be able to deliver sports-based playground games due to working with professional coaches and children will regularly experience active lunchtimes; in time pupil sports leaders will be able to lead playground games for younger pupils, using a range of new and engaging equipment.
Purchasing games for the pupils to play with at playtimes/ lunchtimes	£1,000	To encourage physical activity during lunchtimes and playtimes, particularly for children not inclined towards team sports. To promote exercise and fitness	More children are involved in lunchtime activities with resultant health benefits.	

Purchasing of PE planning support resources from the PE Hub	£500	To further improve the delivery and assessment of PE lessons	Teachers and support staff at HHS have improved skills and knowledge of the PE curriculum leading to improved outcomes re: quality of teaching and learning and assessment of PE.	As a result of growing confidence in the delivery of PE, staff are able to adapt and personalise planning to best suits the needs of pupils.
Purchasing of PE resources for the whole school	£1,000	To further improve the quality of PE equipment and resources to provide a wider range of sports for pupils	Improved quality of provision at HHS due to a wider range of sports being available	Children will have a positive image of sport and will be more willing to participate in a wider range of sports when given the opportunity. As a result of this children will take part in more sporting activities and lead a healthier life.
To contribute to the cost of swimming lessons for all pupils	£2,000	To ensure that there is good quality swimming provision for all pupils in EYFS and KS1 so that pupils' water skills improve from their individual starting points.	Children make progress in swimming from their individual starting points	Regular swimming lessons throughout primary school (a course of lessons every academic year) ensure that children acquire vital life skills and enjoy sporting opportunities that they might not otherwise experience in everyday life; children are also given opportunities to participate in competitive sport.
The provision of a wide range of PE and sports-related after-school clubs	£1,000	To encourage more pupils to attend the after-school clubs in order to promote exercise and fitness	Pupils are given access to an increasing range of after school sports activities. More pupils are attending the after-school clubs.	Children are given more opportunities to participate in clubs that cannot immediately be offered by school staff. School staff can observe and support in ASCs to develop their own skills and be able to deliver these clubs in the future.

To contribute to the cost of sporting visits/trips	£500	To enrich children's understanding of sporting achievements To strengthen community links	Pupils are inspired to participate in sport Children have access to a wide range of sporting facilities in the community and also use these outside of school hours	Children will have a positive image of sport and will have positive national and international role models to which they can aspire.
Contingency	£200	To allow for any further unanticipated spend	See above
