

Dear Parents, Carers and Friends of Halley House School,

Thank you for everything you are doing at this time to support your children and our wider school community. We understand that learning from home is often a challenging balancing act with everything else that might be happening for our families, and we firmly believe that safety and well-being must come first for everyone. *We know it is not possible to do everything, all the time!* This newsletter is a celebration of just a selection of the fantastic things that are happening across our year groups; Halley House pupils continue to astound us with their positivity, creativity and resilience – although it is no surprise that they are using this set of circumstances as just another chance to shine! We are not expecting to be back in school on 20th April and are currently preparing for at least another 2 weeks of school closure after the Easter break (up to 1st May); we will continue to update you whenever we have any news. We are looking forward to introducing our teacher-led 'live inputs' at the start of what would have been our Summer term! Please do remember to get in touch with the school if there is anything further we can do to help or support you. I do hope you all enjoy a break of sorts over the next two weeks, safely enjoying the sun and blue skies when you can. Stay safe,

Claire Syms

Easter Projects

Don't forget to continue with your Eco Bricks at home, too!

Reception: Make a Spring bonnet and take part in your own parade!

Year 1: Make a Spring bonnet out of recycled/recyclable materials. Hold a catwalk/parade in your bonnet and film it for us to see!

Year 2: Please refer to Purple Mash

Year 3: Please refer to your child's homework passport

Year 4: Please refer to your child's homework passport

SUPER STARS!

Our Super Stars of The Week are:

	20/03/2020		27/03/2020	
Reception				
Comet	Asher	Kaidy	Elias	Amelia
Eclipse	Korree	Leah	Abiel	Tazio
Quasar	Akira	Farrah	Amelie	Cavalli
Galaxy			Kush	Luc
Hawking	Mon' Ay		Yen	Theo
Herschel	Ava	Tiannah	Lizzie	Isaiah
Einstein			Enya	Anna

	03/04/2020			
Reception				
Comet	Arthur	Archie W		
Eclipse	Wilfred	Raemario		
Quasar	Jahmil	Dottie		
Galaxy	Sienna	Mattia		
Hawking	Manyiel	Martha		
Herschel	Iman	Ava		
Einstein	Olivia	Joshua		

Well done to everyone for being such good role models by showing our school values and trying your best!

Remember to check our Stars of the Week Purple Mash blog to see our special video assembly each week!

The children in Comet class have been very busy with their home learning. There have been shape hunts, nature walks, baking activities and so much more. Well done everyone for working so hard and being so creative with your home learning. We really appreciate everything you are doing.

Look at our amazing home learning!

Comet Class

Spring Project

If you would like to take part in our Spring Bonnet Parade then please email Miss Ashley a photo of either a fabulous bonnet 'design' or your decorated bonnet. The parade will feature in our next newsletter.

BUSY YEAR 1

15	14	13	12	11	10	9
16						
17						
18	19	20	21	22	23	24

We designed our own plants using resources from home!

We made our shelter using resources at home!

Labelling plants

Year 3

Nelly Doves
 Doves are very smart birds. How do I know this? Well you're about to find out. One sunny day when my mum, sister and I were staring at some adorable baby ducks a dove flew down and tried to grab one of the baby ducks! But the mother jumped out of the water and shielded her baby's. (Also the baby's dived down to the bottom of the lake to protect their self's)

Beautiful Swans
 Did you know there are swans in Mute's, Whosser's and Serwick's swans apart? Mute swans are the easiest to identify because they are the only one of the three swans that have an orange beak. Also the Serwick's and the whosser's swans have sharp beaks but the Mute's have curved beaks. (This last thing is very hard to spot they all have different tail feathers.)

Some fantastic report writing and storytelling!
