

Don't forget to read your Accelerated Reader Book, practise your weekly spelling words and learn your 6 and 8 times tables.

to share with the class.  
your findings in a poster or PowerPoint for you

Can you create an experiment for "state of matter". Record

### Science

Can you research and write a report on a natural disaster of your choice (Karakatau volcanic eruption, San Francisco earthquake, Mount Vesuvius eruption)?

of your choice?

that has been destroyed by a natural disaster

ca of a city or location

Can you create a repli-

### Topic

### Home Learning at Halley House School

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for literacy, science and topic. You should choose to complete at least one of the activities from each of the three areas but you can choose to do more. These pieces should be handed to the teacher **any time before the date given inside the booklet.**

This is a great opportunity for the children to show off their creative and artistic skills and create something spectacular.

Have fun!

Children will be using the child friendly search engine – [www.kidrex.org](http://www.kidrex.org) (the perfect website for use at home with homework and more)

## Halley House School Home Learning Passport

Year 4

Summer Term 2

2021/22

- Can you create a multiplication game for us to play in class?
- Can you create a table and graph to log the different geometrical shapes you can see around your local area?

### Maths

- Can you create a map of the world that The Firework-Maker's Daughter lives in.
- Can you make a piece of artwork inspired by the novel.
- Can you write a sequel to the book, The Firework-Makers Daughter?

### Literacy

Year 4 home learning is due to be completed by Friday 8th July 2022. Please remember that you should complete at least **three** pieces of home learning from the passport. Be as creative as you can to blow your peers away!
