Home Learning at Halley House School

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for literacy, science/humanities. You should choose to complete at least one of the activities from each of the areas but you can choose to do more. These pieces should be handed to the teacher **any time before the date given inside the booklet.**

This is a great opportunity for the children to show off their creative and artistic skills and create something spectacular.

Have fun!

Children will be using the child friendly search engine – www.kidrex.org (the perfect website for use at home with homework and more)

Choose your favourite character from the book and write a character description about them.

- Can you write an in-depth book review encouraging other young readers to read Charlotte's web?
- This half term we are reading Charlotte's Web.
