

Don't forget to read your Accelerated Reader book, practise your weekly spelling words and learn your 3 & 4 times tables.

Can you research and make a soil layer poster?

### Science

- Can you make a 3D design for a Stone Age settlement. Think Skara Brae or Stone Henge.
- Can you make any stone age art? (Have a look at the Chauvet Caves for inspiration).
- Can you write a diary from the perspective of a Stone Age person (hunter gatherer or early settler).

### Topic

- Can you re-create a before and after landscape of a war torn city in order to illustrate the plight of asylum seekers.

- Can you create a 3D pop-up of key places in London to take an asylum seeker. Can you include any 'silent places'?

- An asylum seeker joins our school. Can you create a tour guide of London, introducing them to their new city.

### Literacy

Year 3 home learning is due to be completed by Friday 9th December 2022. Please remember that you should complete at least two pieces of home learning from the passport.

### Home Learning at Halley House School

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for literacy and topic. This half term we have included a little bit of science. You should choose to complete at least one of the activities from each of the three areas but you can choose to do more. These pieces should be handed to the teacher any time before the date given inside the booklet.

This is a great opportunity for the children to show off their creative and artistic skills and create something spectacular.

Have fun!

Children will be using the child friendly search engine – [www.kidrex.org](http://www.kidrex.org) (the perfect website for use at home with homework and more)
