

Don't forget to read your Accelerated Reader Book, practise your weekly spelling words and all your times tables.

- Can you create your own model of the digestive system?

Science

- Can you write a report about an aspect of Mayan life, or a story, play/play set during the Mayan period.

- Can you make your own chocolate bar/ cake to share with the class? **You must also write a set of instructions. Please remember we are a nut/strawberry free school.**

Topic

Home Learning at Halley House School

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for literacy, science and topic. You should choose to complete at least one of the activities from each of the three areas but you can choose to do more. These pieces should be handed to the teacher **any time before the date given inside the booklet.**

This is a great opportunity for the children to show off their creative and artistic skills and create something spectacular.

Have fun!

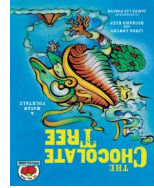

Children will be using the child friendly search engine – www.kidrex.org (the perfect website for use at home with homework and more)

- Can you create a maths game covering any topic in maths: number, shape, multiplication, division, addition, subtraction, or measurement?

Maths

- Can you write your own retelling of the story? You can use text and pictures. **You must include key events from the book.**

Literacy

Year 4 home learning is due to be completed by Friday 11th December 2022. Please remember that you should try to complete at least **two** pieces of home learning from the passport. Be as creative as you can to blow your peers away!
