

Don't forget to read your Accelerated Reader Book, practise your weekly spelling words and learn your 6 and 8 times tables.

- Plan an experiment involving light. Include photos/images, planning and your findings. **Have fun!**
- Can you invent a machine that uses light?

Science

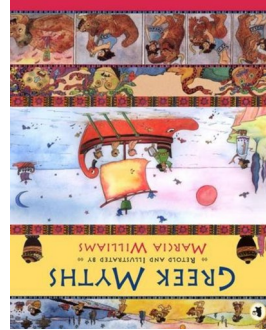

- Create a 3D model of an Ancient Greek temple or ship with key facts about what it was used for.
- Re-create a scene from a Greek myth on pottery/poster paper

Humanities

Write a letter to an Ancient Greek God with questions you would want to ask them.

- Re-write your own version of a Greek Myth we have studied.
- Create a character profile based on a key figure from one of our stories.

Literacy

Year 3 home learning is due to be completed by Friday 3rd February 2023 Please remember that you should complete at least **two** pieces of home learning from the passport. Be as creative as you can to blow your peers away!

Home Learning at Halley House School

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for literacy, science and topic. You should choose to complete at least one of the activities from each of the two areas but you can choose to do more. These pieces should be handed to the teacher **any time before the date given inside the booklet.**

This is a great opportunity for the children to show off their creative and artistic skills and create something spectacular.

Have fun!

Children will be using the child friendly search engine – www.kidrex.org (the perfect website for use at home with homework and more)
