

Don't forget to read your Accelerated Reader Book, practise your weekly Spelling words and learn your 6, 7, 8, 9 times tables.

- Topic**
- Can you research and write a report on an aspect of the Victorian period. What are you interested in? What can you find out?
 - Can you design your own experiment based on electricity and then write a report on it?
 - What can you find out about electricity? Create a poster on all things electricity.

Science

- Can you make you calculate the area of a room in your home?
- Present your findings to us. What equipment did you use?
- What units of measurement? What is the area?

Maths

Include key events from the book.

- Can you create your own comic book strip based on our class text?
- Can you write your own version of the story. You must include key events from the book.

Literacy

Year 4 home learning is due to be completed by Friday 3rd February 2023. Please remember that you can choose to complete up to two pieces of home learning from the passport. Be as creative as you can to blow your peers away!

Home Learning at Halley House School

At the beginning of each half term, class teachers set the 'Home Learning Passport' activities for literacy, science and topic. You could choose to complete at least one of the activities from each of the three areas but you can choose to do more. These pieces should be handed to the teacher **any time before the date given inside the booklet.**

This is a great opportunity for the children to show off their creative and artistic skills and create something spectacular.

Have fun!

Children will be using the child friendly search engine – www.kidrex.org (the perfect website for use at home with homework and more)
